

Sunshine Newsletter

Jan 24

Welcome back, I hope that you all had a restful and fun break. With your support the children have all settled really well into school and are becoming really independent learners. The next challenge for us to tackle is getting changed for PE. To support with this, we ask that you name EVERYTHING so that if anything gets lost we can quickly get it back to you.

We also ask that you allow the children time at home to have a go at getting themselves dressed and undressed. We know that this is a big step for some of our children but we are on hand to help and know that they will pick up this new skill quickly. We are very proud of how hardworking and resilient the children were last half term and have already created great memories – don't forget to check out the website to see what we have been up to. As always, any questions, just ask – we are always here to help.

Best wishes, Miss Wilson

PE changing

We will start to get changed for PE after half term, please see below the list of required PE kit. This is the next big step for the children's independence so if you could start practicing dressing and undressing independently at home that would be a great help.

Sunshine Curriculum Spring 1

Theme: Light and dark - please see our knowledge organiser.

Literacy: The way back home and look up.

Maths: numbers to 10 including 0, compare mass and capacity, comparing 2 groups.

PLEASE ENSURE ALL CLOTHES AND WATER BOTTLES ARE LABELLED CLEARLY WITH YOUR CHILD'S NAME AND CLASS.

Sunshine super stories

We will continue to collect reading books and phonics homework on a **Thursday**. Please make sure that you return these on a Thursday as it allows us to swap books and get them back out on Friday. We rely on books being brought back in as we do not have enough books for all the children otherwise.

Attendance:

Please make sure your child arrives promptly at the start of the school day and arrives on time at 8.55am. Should your child arrive late, you must register at the late door just off the playground.

The children finish at 3:15 and you will collect them from outside the classroom.

Spare clothes

At times the children get wet when playing so we ask that they have a spare set of clothes in their bag.

P.E.

The Sunshine class will have PE on Wednesday. PE is a compulsory part of the curriculum and it is vital children have full kit in school. Children need black, blue or grey shorts or joggers and a plain white T-shirt as well as plimsolls or trainers. They will also need a warm black, blue or grey jumper for outdoor PE.
