

# Our world is our home

## Rainbows - Spring 2

### Key books we'll share

**We will be moving our animal learning on to animal homes and where in the world they come from.**

**We will be taking a walk in our school neighbourhood and sending postcards.**

**We will be naming parts of buildings**

Using our Rainbow Promise

**We try hard and do our best learning.**

**We share and take turns.**

Our Rainbows have been treating each other kindly and being friendly and have learnt to look after our classroom well and put things away for next time. We are now talking about growing up and being able to share and enjoy things together. We are also using our eyes and ears and good sitting for learning together ready for our move into Sunshines.

**We are counting, spotting, sorting and recognising numbers to five then ten.**

**We are comparing sizes of objects and what is taller and smaller than us.**

### **Family Chat**

Who lives in our house?

Who are our neighbours?

Is our house connected to another house?

What is our street called?

**Our Key learning and vocabulary will be about:**

Our homes

Where we live

Our journeys

Springtime  
Our marvellous Mums  
Easter
