

Year 3 Knowledge Organiser: On my doorstep

Significant people from Elizabethan England

Queen Elizabeth I

Mary Queen of Scots

Philip II of Spain

Sir Francis Drake

Sir Francis Wiloughby

Wollaton Hall is an Elizabethan house built between 1580 and 1588 for Sir Francis Wiloughby. The hall was kept in the family until 1925 when Nottingham City Council bought it and now open to the public as a museum.

Key knowledge – Queen Elizabeth I - Fact File

Elizabeth was the daughter of King Henry VIII and his second wife Anne Boleyn.

She had to fight to be queen because Henry VIII said she was not a royal.

Some Catholic people thought that she should not be Queen and tried to get rid of her. They were loyalists to Henry VIII's first wife.

Elizabeth created the Religious Settlement to make a religion to suit everyone and try to make Catholics and Protestants happy.

Elizabeth and Mary, her cousin, were bitter rivals as Mary also had a claim to the English throne. Elizabeth found out Mary plotted with Catholics to overthrow her, so Elizabeth had Mary executed.

Who was Queen Elizabeth I?

Horrible Histories: Elizabeth I

History Timeline

1558

1603

Topics:

Topic: Elizabethans & Local study

Art: LS Lowry

DT: Sandwich snacks

RE: Worship & Sacred places / Inspirational people

PSHE: Health & wellbeing

Science: Animals, including humans & plants

PE: Dance, Yoga, Striking & fielding & Athletics

Computing: Programming: Scratch & networks

Year 3 Knowledge Organiser: On my doorstep

Animals, including humans

- Living things need food to grow and to be strong and healthy.
- Plants can make their own food but animals cannot.
- To stay healthy, humans need to exercise, eat a healthy diet and be hygienic.
- Animals, including humans need food, water and air to stay alive.

What we will look at in PSHE:

- How do our choices effect our health?
- Who am I?
- Which rules keep us safe?
- What are the laws around drug use?

In RE we will be learning about churches, mosques and temples and the ways these building express key ideas about belief and worship. Alongside that, we will look at inspirational people from the Bible, Karan and Tripitaka. Exploring the lives, describing the challenges they faces and values and commitments in which they lived.

What you should already know...

- Animals can be split into different groups (e.g. birds/fish & carnivores/omnivores)
- All animals have basic needs that have to be met in order for them to survive: water, food, shelter, oxygen, temperature
- Animals have different stages in their lives – birth, growth, reproduction and death.
- Humans (and most other animals) need to stay healthy, by exercising, eating a balanced diet, and being hygienic.

Plants

- Plants need water, nutrients, light, the right temperature, space and time to grown.
- Plants begin life as seeds or bulbs. Seeds do not need sunlight as they have their own food store.
- Water and oxygen allow seeds and bulbs to germinate (start to grow).
- Plans have a life cycle, that includes the seed, seedling and flowering stages.

Aiming High to Achieve the Best

Nutrients	. Substances that living things need to stay alive.
Energy	Strength to be able to move and grow.
Vertebrate	Animals with back bones.
Invertebrate	Animals without back bones.
Fertilisation	When the male and female parts of the flower have mixed in order to make seeds for new plants.
Pollination	When pollen is moved from the male anther of a flower to the female stigma.
Tripitaka	The Buddhist holy book, meaning 'triple basket'.
Worship	Any act that shows devotion or love for a God or Gods.

Art

Art this term will be focusing on famous British Artist LS Lowry. Known for his industrial paintings featuring factory chimneys and 'matchstick' people.
